Patient Transportation Options for Getting to a Laboratory Location

Depending on where you live, one or more of the following resources might be available to assist you with getting to one of our laboratory locations, or to have someone come to you. If you are aware of any other resources, please let us know, so that we can update this information. Similarly, let us know if you experience difficulties with any of these resources, so that we can improve our information.

To contact us, please either email us at info@vmlabs.ca, or call us at (250) 763-4813.

Thank you!!
